Subject: Proposal for development of the college website

Respected Sir,

I am Binod Kumar Mandal, representing Amici Technologies. I extend my heartfelt gratitude to you for considering our proposal to develop a website for your college. Our vision is to create a contemporary, user-friendly platform that seamlessly aligns with your college's brand identity and strategic objectives. Drawing from our extensive experience working with educational institutions, we are confident in our ability to deliver a high-quality solution.

Please go through our proposal cum quotation enclosed with this letter. If you're interested in moving forward, please let us know.

Sincerely,

AMICI TECHNOLOGIES
