NOTICE INVITING TENDER

Tender No.: _____ **Date:** _____

Subject: Selection of an Outsourcing Agency for creation of the official website of Sido Kanhu Murmu University, Dumka.

Invitation

Sido Kanhu Murmu University, Dumka, acting through the Committee constituted by the Vice-Chancellor for conducting and monitoring the process for selection of an outsourcing agency *as per rules* for creation of the university website, invites sealed online bids from eligible outsourcing agencies for the design, development, deployment, content migration, security audit, certification support, source-code escrow and maintenance of the official university website, in conformity with the Guidelines for Indian Government Websites and Apps (GIGW 3.0) and the applicable rules and standards.

The Scope of Work and the Technology Specification are attached with this notice and form part of the tender documents. A bidder is deemed to have read them together with this notice. A bid submitted without the documents prescribed under "Documents to be submitted with the bid" below is liable to rejection.

Eligibility criteria

A bidder must satisfy *every* one of the following criteria. These are pass/fail requirements: failure of any one criterion is rejection of the bid at the technical stage itself, irrespective of price. All supporting documents must be genuine, current and independently verifiable; false documents attract forfeiture of the earnest money, termination and debarment.

E.1 A legally incorporated company, LLP or firm under Indian law, carrying on web design and development as its principal business activity for at least _____ years.

E.2 Not debarred or blacklisted by any Central or State Government, Public Sector Undertaking or University, and no adverse integrity proceeding pending against it. The University will independently cross-check this against the published debarment lists.

E.3 Having completed at least _____ government or government-funded institutional websites in the last _____ years, of which at least _____ is a university or higher-education institution in India, each with a live and verifiable URL.

E.4 Having in-house technical capability for this work, which shall not be sub-contracted: a named Project Manager, UI/UX designer, accessibility specialist, security engineer and full-stack developers who will actually be deployed on this project.

E.5 Having a positive net worth in each of the last _____ audited financial years and an average annual turnover of at least INR _____ crore from software and web services during that period.

E.6 Having no conflict of interest: the bidder, and its associates, are not an employee or relative of an employee of the University, or a vendor of the University, involved in the preparation of this tender.

E.7 Having a service presence capable of supporting the maintenance contract – an office or registered agent in Jharkhand or within _____ km of Dumka, or a documented remote-support model with a committed on-site response within _____ hours.

A bidder appearing on the currently published Central or State debarment lists is ineligible *per se*.

Documents to be submitted with the bid

Bids shall be submitted in two covers – **Cover-1: Technical bid** and **Cover-2: Financial bid** – both digitally signed by the authorised signatory. The financial bid of a bidder who fails the eligibility or technical evaluation shall not be opened and shall be returned unopened.

1. Covering letter on the bidder's letterhead, signed by the authorised signatory, unconditionally accepting this notice, the attached Scope of Work and the attached Technology Specification.
2. Power of Attorney or board resolution authorising the signatory, together with the list of directors and declaration of beneficial ownership.
3. Documents in support of eligibility criteria E.1 to E.7 above, neatly tab-indexed.
4. Technical bid (Cover-1): approach and methodology, team, project plan, quality and security plan, and proof of prior work.
5. Clause-wise compliance statement confirming compliance with the attached Scope of Work and Technology Specification, with supporting evidence.
6. Financial bid (Cover-2): price for the entire Scope of Work, stated in figures and in words.
7. All pages of the bid numbered and digitally signed.

General conditions

1. This notice is not an offer or a promise of award. The University reserves the right to accept or reject any or all bids, to annul the process, or to withdraw the work at any stage, without assigning any reason and without liability for any cost incurred by a bidder.
2. Participation in the tender is deemed to constitute acceptance of every clause of this notice and of the attached documents.
3. Every certificate, reference site, experience claim and technical assertion made by a bidder is liable to independent verification at any stage. Misrepresentation, whenever discovered including after award, shall attract forfeiture of the earnest money and performance security, termination of the contract and debarment for a specified period, after issue of a show-cause notice stating the grounds and the proposed period of debarment and after passing of a speaking order.
4. The successful bidder shall not assign, sub-contract or transfer the work or any part thereof without the prior written consent of the University.
5. Intellectual property in the design, content, source code and documentation created under this engagement shall vest in the University, and the source code and design sources shall be deposited in escrow.
6. Bidders shall not approach any individual member of the Committee; any such approach may result in disqualification of the bidder.
7. The engagement shall be governed by the laws of India, and the courts at Dumka, Jharkhand shall have exclusive jurisdiction.
